Deposit required: Whole: \$100.00 Half: \$50.00

(Check or Credit card information must accompany order: All major credit cards accepted.

Information needed: credit card number, expiration date, billing zip code and security/cvn code)

Prices are based on hanging weight including processing (vacuum wrapped in clear plastic—bones are bagged), customer pick-up at the farm.

Average weight is hanging weight is 40-44 lbs. For example, total cost for a whole lamb with a hanging weight of 42 lbs is \$357.00.

The above are for illustration purposes only. Actual hanging weights can only be determined at time of initial animal processing and can range as indicated above. Net weights are a function of the cutting options you select and aging time - 50% would normally be the lowest net weight.
